

New! Online Registration & Account Management

We are excited to offer our customers the convenience of online registration and account management. If you haven't already done so, please login to our customer portal at www.altiusgymnastics.com using the email address we have for you on file. Once in the portal, you can update your information, view your class schedule, and make payments online. You can also send the office a message to request a make up, sign up for special events, or withdraw from class (we hope not :)). Please don't hesitate to call us during business hours if you need assistance with the online system. We're here Monday - Thursday 9am - 9pm and Saturday mornings from 9am - noon. 414-421-1200.

Your Help Needed in the Waiting Area

Customers frequently express appreciation for our large open waiting area. However, the noise level in the waiting area can sometimes have a negative effect on the classes. Please follow these rules to help us maintain a productive learning environment:

1. No horseplay or running around the bleachers.
2. Supervise young children in the bathrooms.
3. Balls (tripping) & toys that make noise are not allowed.
4. Please remove crying/screaming children from the building until they have settled down.
5. Groups of students waiting for class are expected to keep their voices to a minimum.

NEW Custom Order ProShop Items

Check out new custom order Altius yoga pants, sweatshirts, and fashion print tunics! Fill out a custom order form found in the proshop area - orders arrive in approximately 4 weeks.

Help Classes Run Smoothly...

1. Please keep the gymnast waiting areas clear for students to line up before class - both near the Kindergym room and in front by the fence.
2. All children should use the rest room before class begins. Kindergym parents; please be visible to your child if they have bathroom needs during class. Coaches can not leave class to assist.
3. Hair should be pulled back in a neat ponytail before class. Please cover cuts and warts before coming to Altius.

Reminder! The coaches and students are just getting to know each other & get into the "routine" of class. The first two weeks of class may be review while the coaches learn each child's capabilities and the students adjust to their new coach's expectations.

All classes are going over the rules of the gym for safety. We especially stress falling with arms overhead to protect the head & neck area AND to prevent arm injuries caused by putting arms out to break a fall.
