NOTES:

1. Arrive by time is 15 minutes before stretching begins. This is the latest time you should arrive. Being there 15 minutes or more before this time is fine also. You need time to park, get in, use the restroom, get settled.

2. Altius will provide team animals for introduction time.

3. State meet apparel is only available at the meet (no pre-orders).

The volunteer schedule is slightly different from this schedule as volunteers do not have to be at their event during stretching. Please do not confuse the 2 schedules.
