

Red Carpet Team Food Donations - 2017

The following items are requested.

Snack Mix – means sandwich size plastic bags of homemade snack mix.

Bars for coaches (Hospitality room)– means a large pan of brownies or bars. They should be cut fairly small and can be left in the pan or brought in a covered container. These will be served to coaches and judges throughout the meet.

18 large bars – means 18 individually wrapped brownies or bars to be sold in the concession room.

Gold and red glitter stars are the décor theme. Incorporate into food items if you'd like.

Bring your items to the front desk for check off, then to the concession room (except coaches bars).
